SHELTON JOINS EASTERN

CHARLESTON, IL--Anita Shelton, daughter of Theodor Dudli of Johannesburg, South Africa and Christina Dudli of San Francisco, California, has joined the faculty at Eastern Illinois University as an assistant professor of History.

Eastern Illinois University places priority on teaching excellence for a high quality student body in a residential setting. Approximately 10,000 on-campus students are enrolled in undergraduate and graduate programs. Non-traditional and part-time students are enrolled in programs at both on- and off-campus sites. Eastern offers faculty a wide range of research and public service activities. The University is located in east central Illinois and combines the benefits of a community of 20,000 with access to several large cities, including Chicago, St. Louis and Indianapolis.

Before coming to Eastern, Shelton was a visiting professor of History at Seattle University for one year.

Shelton earned her Ph.D. in 1986, her master's degree in 1978 and her bachelor's degree in 1975 all from the University of Washington.
